

Summer Missions 2018

Nicaragua (June 23-30, 2018)

The Nicaragua Mission Trip (for current 8th-12 grade students) will partner with Highlands Mission Cooperative to serve the city of Jinotega, Nicaragua. Highlands Mission Cooperative is a collection of Christ followers dedicated to sharing the love of Christ through acts of service and helps. These helps and services take on the form of clean water, medical clinics, health education, construction, sanitation, English language schools, church planting and leadership development. Working through the local church, they strive to meet the immediate physical needs in a community as they share the hope that is the Gospel of Christ.

While in Jinotega, Nicaragua we'll be involved in a number of ministries varying from street ministry, door-to-door conversations with those in the local communities, handing out Bibles, and teaching English in the local schools. We'll work alongside the local church to share the gospel in their communities. It will be a highly relational trip and students will be expected to be pushed out of their comfort zones. Our goal will be to come alongside Highland Mission's current ministry to act as a support to the ministry they are already doing in the country of Nicaragua.
