

# Summer Missions 2018

## Raleigh, NC (July 15-20, 2018)

The Raleigh mission trip (for current 6th & 7th graders) will be led by an organization called Youthworks ([www.youthworks.com](http://www.youthworks.com)). Youthworks has been leading youth mission trips across the country for the past twenty-four years, and this summer they are expecting to partner with over 1,500 churches, 32,000 participants serving in over 70 communities all around the United States.

While in Raleigh, we will partner with many local organizations to help share the Gospel in the community. The level of work expected of students who attend this trip will fit who our middle school students are, and the work will be work geared toward their abilities. Some examples of work we may do while in Raleigh might include working with children, the elderly, or doing basic home improvement. Our work with children will consist of a hands-on afternoon program led by our youth, known as Kids Club. Kids Club offers high-energy games, crafts, skits, songs and interactive lessons, all designed to help kids learn about Jesus. Other service activities might include helping keep the "City of Oaks" beautiful by serving with the Parks and Recreation Department, or spending a morning serving at a local farm gathering extra produce for those in need. Our group's willingness to serve in whatever way needed will bring real hope and an opportunity to share the love of Christ with others.
